there was one tire that was not like the other ones. Uh uh, Ray in his uh uh his writings to uh Atlanta was goint to write his story to William Bradford Huie uh uh stated that uh that he was running contraband jewelry out of Texas, so after he got to Mexico and was running jewelry back into the uh into the United States; We know that Ray purchased a new tire uh in in Mexico

typist mispelled the name Sneyd and put in S N E Y A. When Ray got to to Portugal, uh he was he expected to catch a uh a ship, he wanted to get to Rhodesia, to fight as a mercenary uh eventually.

And he went to Portugal for that purpose, to catch a ship, uh but he found that he couldn't get a ship that he wanted for two weeks, so he decided to go back to England, and I might add, after he got back to England he robbed a bank. But uh anyway in Portugal he had uh he had this passport which was
